THE CONFERENCE JOURNEY

BLOCK 1 - BUSINESS

PROTOTYPE - TO -
PRODUCTION
CYCLE

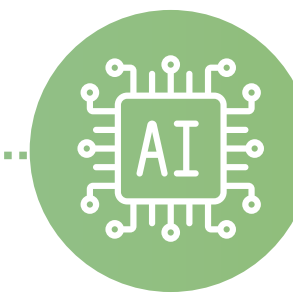

ECONOMICS &
FINOPS

BLOCK 2 - TECHNICAL

ENTERPRISE
AI PLATFORM

AGENTIC AI

AI DATA
PRODUCTS

The conference deliberately blends business and technology, with a 40% business and 60% technical focus. The journey starts with the challenge many organizations face today: how to move AI rapidly from prototype to production while proving its value and keeping costs under control. This is where AI Economics & FinOps becomes critical.

From there, we explore the technology required to scale: unified enterprise AI platforms, agentic AI, and AI-ready data products, connecting business priorities with the capabilities needed to turn AI into sustainable enterprise impact.

BLOCK 1 - BUSINESS**PROTOTYPE - TO -
PRODUCTION CYCLE**

From first prototype to enterprise production discover how leading organizations accelerate AI delivery through automation, modern engineering, and production-ready deployment practices.

**ECONOMICS
& FINOPS**

As AI adoption accelerates, managing costs becomes as critical as delivering innovation. Explore how leading organizations track AI consumption, optimize investments and implement AI FinOps, while maintaining governance and operational efficiency.

BLOCK 2 - TECHNICAL**ENTERPRISE
AI PLATFORM**

As AI moves from isolated experiments to enterprise-wide adoption, the race is on to build a unified AI platform. Explore how leading organizations bring models, agents, data, tools, governance, and infrastructure into one scalable ecosystem, accelerating AI delivery, enabling reuse, strengthening control, and turning fragmented initiatives into an enterprisewide AI capability. At the same time maintaining the security, control, and observability required on enterprise scale.

AGENTIC AI

Move beyond chatbots and discover how enterprise AI agents are designed to solve real business challenges. Learn how planning, reasoning, tool orchestration, and multi-agent systems enable intelligent automation and seamless integration across business workflows.

**AI DATA
PRODUCTS**

Data is the fuel of every intelligent system. Discover how organizations build trusted data products, semantic layers, knowledge platforms, and modern data architectures that power scalable, high-performing AI solutions.

WHO WILL YOU MEET?

This conference isn't just about learning - it's about connecting with the right people. From spontaneous hallway conversations to curated 1:1 meetings and networking dinners, the real value lies in building relationships that spark **collaboration, partnerships, and new ideas.**

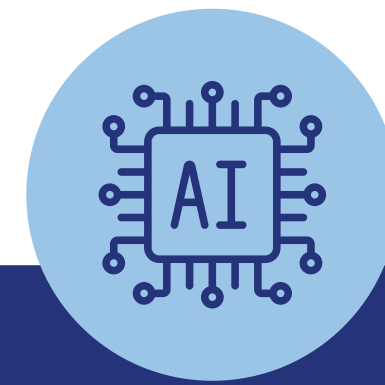

C-Level Executives & Decision-Makers

Bring strategic vision, investment priorities, and the authority to drive enterprise-wide AI initiatives

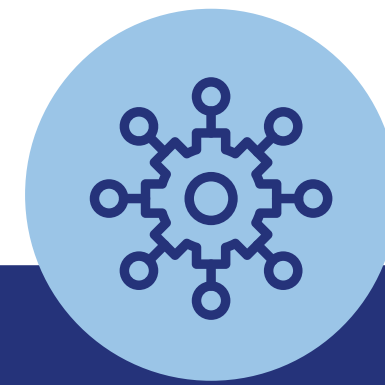

Innovation Leads & Digital Experts

Provide cross-functional insight and scalable innovation

AI & Data Science Professionals

Offer technical depth and real-world implementation experience

Advisors & System Integrators

They advise 10+ clients at once and come to stay ahead of what enterprises are actually buying and building

TERMS & CONDITIONS

(1) Reservations & Payments

The booking contract between Netventis and the customer becomes effective upon receipt of the booking confirmation from Netventis (right after ticket purchase or transfer). The booking must include: company name, job title/function of the participant, and contact information. Full payment is due upon receipt of the invoice. Participation in the event is not permitted unless full payment has been received prior to the event start. In the event of delayed payment, Netventis reserves the right to cancel the customer's booking, prohibit access to the event, and/or release reserved participation or exhibition space to other customers. Conference passes (badges) will be issued at the on-site check-in desk. A prerequisite for obtaining the pass is that the full booking fee has been received by Netventis prior to the event. For late registrations, proof of payment (or a valid credit card as a deposit) must be presented at the check-in.

(2) Liability & Cancellation

a. Business Partner Cancellation

If a business partner (exhibitor) cancels their participation, Netventis is entitled to claim compensation for the resulting loss. The cancellation fee is calculated as follows:

Cancellation after contract confirmation = 25% of agreed fee

Cancellation 12 to 8 weeks before the event = 50%

Cancellation within the last 8 weeks before the event = 100%

Cancellation within 2 weeks = 100% + additional confirmed service costs (e.g. catering, tech, staff)

Cancellations must be submitted in writing. Discounts and special conditions will not be deducted from cancellation fees. The customer may prove that the actual loss was lower. In case of sponsorship another charges will be applied. It will be negotiated with each sponsor separately.

b. Delegate Cancellation

The same cancellation conditions apply to delegate bookings (individual or group participation).

Cancellation after contract confirmation = 25% of agreed fee

Cancellation 12 to 8 weeks before the event = 50%

Cancellation within the last 8 weeks before the event = 100%

Cancellation within 2 weeks = 100% + additional confirmed service costs (e.g. catering, tech, staff)

Written notice is required. In the case of cancellations within 2 weeks of the event, Netventis also reserves the right to invoice separately for additional booked services.

Force Majeure

In case of external circumstances beyond our control – such as natural disasters, political unrest, strikes, travel disruption, pandemics, or similar—Netventis reserves the right to postpone, modify, or cancel the event. In such cases, Netventis is not liable for any resulting damages. In case of cancellation due to such events, any payments made may be transferred as credit to a future Netventis event. Netventis is only liable for damages resulting from intent or gross negligence, and unlimited only in the event of injury to life, body, or health in accordance with statutory provisions.

(3) Privacy and Data

Netventis complies with the General Data Protection Regulation (GDPR). By registering, the customer agrees to the processing of their data for purposes related to event participation, communication, and promotion. By participating in the event, the customer also agrees to photo, audio, and video recordings being made and used for marketing and documentation purposes by Netventis. Participants may request in writing to be excluded from media usage in specific cases. Customer data is securely stored and may be used by Netventis and selected partners for communication of relevant offers. You may unsubscribe or opt-out at any time by contacting us at office@netventis.com.

(4) Default of Payment & Event Cancellation

If the customer fails to pay in accordance with the agreed schedule, Netventis reserves the right to cancel participation and reassign any reserved space or speaking slots. In case of full event cancellation by Netventis, any received payments will be transferred as credit for a future event within 12 months.

(5) Final Provisions

No verbal side agreements shall apply. Changes and additions to this contract must be made in writing. If any provision of these terms becomes invalid, the remainder of the agreement shall remain in force.

THANK YOU FOR ATTENDING

As we part ways, let's stay connected,
let's keep the www.netventis.com
conversations alive, and let's continue
to push the boundaries of what's achievable.
